"Untold Agony from Catarrh"
Prof. W. H. HARRISON, the famous oculist,
of Ithaca, N. Y., writes: "Some ten years ago I
suffered untold agony from catarrh of the
eye. It was a family physician who treated me as
usual, and said I must die. My case was
such a bad one, that every day, toward sunset,
my vision would become so dim that I could
scarcely speak above a whisper. In the morning
a coughing and clearing of the throat would
bring out a quantity of blood. By the use of Dr. Sage's
Catarrh Remedy, in three months, I was a well
man, and the cure has been permanent."

"Constantly Coughing and Spitting"
THOMAS J. BUSHING, Esq., 202 Pine Street,
St. Louis, Mo., writes: "I was a great sufferer
from catarrh for three years. At times I could
hardly breathe, and was constantly coughing
and spitting, and for the last eight months could
not breathe through the nostrils. I thought
nothing could be done for me. Luckily, I was
advised to try Dr. Sage's Catarrh Remedy, and
I am now a well man. I believe it to be the
only sure remedy for catarrh now manufac-
tured, and one has only to give it a fair trial to
experience astounding results and a permanent
cure."

A complete Treatise on Catarrh, giving valuable
hints as to clothing, diet and other matters of
importance, will be mailed, postpaid to any
address, on receipt of a two-cent postage stamp.
